CAS 33125-97-2 阿莫西林 , buy Etomidate

A large, conical pile of fine white powder is shown against a dark, textured background. A small, rectangular piece of white paper with torn edges is placed on the side of the powder pile. The paper has handwritten text in black ink. The powder appears to be a fine, uniform texture, and the lighting creates soft shadows on its surface.

Etomidate
Powder Raw
